

# The 95% Solution

You get one chance with authority control, so it's important to get it done right. LTI guarantees that its affordable, machine-only authority control will link 95% or more of your library's controlled headings to an LC or LTI authority record. No exceptions! No excuses!

When manual review is requested, only professional librarians are used as editors and link rates approach 100%.

LTI maintains the complete LC MARC authority files (updated weekly), supplemented with over 410,000 LTI authority records and 350,000 proprietary "cross links."

Contact LTI for more information on authority record link results.
